Spiritual Adoption Month Three: Your baby is quite active in the womb now - although her mother will not feel her for another couple of months. If her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move her tongue. She can make a tight fist if you touch her palm. She is breathing amniotic fluid which continues until birth, although she obtains the oxygen her body needs through the umbilical cord. The baby you are praying for weighs one ounce.

Migrant Ministry: Now through the **month of April**, we are collecting items for the Eastern Shore Migrant Ministry male workers. Items needed are new or gently used Men's baseball or sun Hats, men's socks, men's sneakers, or work shoes sizes 6-10, men's long sleeve shirts, men's boxer briefs, gardening gloves. Please NO extra large items. Please place items in the marked bin in Great Hall next to the Justice & Peace table. Contact Justice & Peace via the links above for more information. **Deadline for donations is Sunday, May 3rd!**
